

BRUNO CURB-SIDE LIFTER

Bruno's Curb-Sider is the world's most popular means of lifting and transporting scooters or powerchairs inside a vehicle using a hoist. Stand near the bumper or curb, connect the docking device, push a button and the Curb-Sider lifts and stores a mobility device up to 400 lb/181 kg. With a compact design, the Curb-Sider requires minimum space.

- Power lifting, lowering, rotating for effortless operation
- Offset post design allows loading of mobility device from side of vehicle
- Telescoping version provides additional extension to clear bumpers and load wide mobility devices in smaller openings (VSL-6900)
- Fold-down lift head allows partial 3rd row seating or extra space when mobility device is not present (optional quick release pins required)
- Vehicle-specific bases for precise installation
- Passenger or optional driver side placement
- 3 year limited warranty

Lift Capacity: 250 lb (114 kg)

heavy duty: 400 lb (181 kg)

Vehicle Type: CUVs, hatchbacks, minivans, pickups, SUVs, full-size vans
