

## WYMO WHEELCHAIR HOIST

### The Wymo Wheelchair Hoist Features

- Loads the wheelchair safely and securely onto the roof of the car
- All Wymo Wheelchair Hoists come standard with an inertia real fail safe,
- The hoist provides independence to a driver who requires a wheelchair in their daily life
- The hoist provides freedom from carers that otherwise are needed to carry and load the wheelchair into the car.
- The Wymo wheelchair hoist frees the space in the car for travel, groceries and passengers.
- The Wymo Wheelchair Hoist is vital for a carer/driver who needs to lift a wheelchair safely, without risk of shoulder and other related injuries.
- The Wymo Wheelchair Hoist provides the opportunities for highly skilled work and invaluable contributions to communities.
- Australia is covered by a Wymo distributorship network which handles all aspects of sales, installation and service of the Wymo Wheelchair Hoist.
